WISHING THE AUSSIES THE BEST OF BRITISH!

Nuts EXCLUSIVE!

Alastair Cook: 'We want to be No.1 in the world!'

"Aunty Val was tiny!"

The Aussie-punishing Ashes ace talks exclusively to *Nuts*!

Hi Alastair! How does it feel to be part of the first team to win the Ashes in Australia in 24 years? Incredible! When that last wicket went down, there was a tremendous sense of joy and relief. We didn't just want to retain the Ashes by drawing the series, we wanted to win and end on a high.

Do you feel like you've made a bit of history? Yeah, I guess we have. Everyone knows how tough it is to get results in Australia, let alone win a series, and there are memories of that 5-0 whitewash we suffered last time. We used that as motivation and played some great cricket.

What are the celebrations going to be like? Possibly a bit messy? I imagine they'll go on for a while! We've worked really hard, so I expect we'll all play hard, too! After that, we'll look forward to the rest of the tour. Andy Flower won't let us get too carried away. There are still the one-dayers to look forward to and he'll demand that we do well in them, too.

Blimey! Imagine what the Aussie public will think if you stuff them in the one-dayers, too. Australia have been dominant for so long, so it's natural for everyone to think it'll continue. I think there's been shock as to the scale of our win. Now, we want to try to emulate what the Aussies have done and get to number one in the world.

A word about the Barmy Army? The England fans have almost outnumbered the Aussies, so a lot of the games have been like home matches. Their support has helped on what's a tough tour. To hear them chanting and singing all day, every day has been a massive boost. I'm pleased for them that we've repaid their faith and support.

What about your own amazing form? Before the series, your place was in doubt, now you've ended the series as a record-breaking run-getter! What's been the difference? My form was pretty terrible, to be honest! People were on my back and I had to up my game a lot for that to change. But I just had to have faith that I was a decent Test player, put the work in and see what happened. When I scored my first century in Adelaide, I thought, "Hang on, I'm good enough to score Ashes runs!" From there, I just kicked on!

Did you even bother sledging? It would have been like kicking a puppy. Ha-ha! No, I'm not a great sledger anyway. Maybe if I was better, I'd do a bit more!

Who was the joker in the dressing room? What was the banter like behind the scenes? Graeme Swann's a lunatic. He never stops talking and does loads of impressions, taking the mickey all the time. On the field, he's deadly serious. Off the field, he's a great bloke to have around. We're all great mates who are happy for each other's success. There are no egos at all!

All gloating apart, were you chaps surprised by just how bad the Aussies were? I'd rather concentrate on how good we were! We honestly thought we could beat them if we played to the best of our ability. Our bowlers never gave the Aussie batsmen any respite and our batsman all contributed at some time or another. Perth aside, we dominated every session!

Thanks, Alastair! Finally, can England be the best team in the world? This is the first step, but we've got a long way to go. When we won the Ashes in 2005, everyone thought we'd go on to greater heights but it didn't happen. We'll learn from that and with Andy Flower in charge, there's no danger of complacency. He's a tough man with high expectations!

Their Scoutmaster was not happy

> **"My form going into the series was terrible!"**

"No! I wanted a green apple!"
AT THE CREASE!

Record breakers!

England didn't just beat 'em – they stuffed 'em!

- **During the first Test, Andrew Strauss and Alastair Cook's opening partnership of 188 in the second innings was an England record at Brisbane.**
- In the same match, Cook's 235 not out broke Sir Don Bradman's record for the highest Test score at the Gabba.
- **Still in the first Test, England's whopping total of 517-1 declared was their highest ever in the second innings of a Test in Australia.**
- At the end of day two of the second Test, Cook's 136 not out meant he'd scored 371 runs and batted for 1,022 minutes without getting out – an England record.
- **In the same game, Kevin Pietersen's score of 227 was a personal best in Test matches!**
- The Aussies first-innings total of 98 in the fourth Test in Melbourne was their lowest ever Ashes total at the MCG, and their worst first-innings score in a home Ashes Test match since 1888!
- **By scoring a total of 513 in the fourth Test and 644 in the fifth Test, England passed 500 runs in successive innings in the Ashes for the first time.**
- That score of 644 was also England's highest ever total in Australia!
- **It got better for Cook, too – his total of 2,171 minutes at the crease was a new world record for a five-Test series, beating 2,057 minutes by Shivnarine Chanderpaul for the West Indies in 2002.**

Corrie stunner sizzles in Egypt!

We, of course, were very quick to salute *Coronation Street's* bold storyline choice in making feisty Rosie Webster, played by the gorgeous Helen Flanagan, decide to pursue a career in glamour modelling. And judging from these shots – snapped on Helen's recent winter holiday in Egypt – she's definitely got what it takes to pull off the story arc.

No hands!

It's a handlebars-eye-view of biking's most awesome stunt!

Gents, allow us to show you the "Rock Solid". It's a particularly awesome bike stunt, which goes thusly: [Stage one] Man drives bike off big ramp. [Stage two] Man lets go of bike's handlebars. [Stage three] Man grabs bike's seat. [Stage four] Man lets go of seat. [Stage five] Man flings arms out like a helmet-wearing bird of prey. [stage six] Man grabs handlebars, sits back down, lands bike perfectly.

If we tried it, our stunt would have just one stage: man falls off bike and cries like a shoved toddler. So, luckily, snapper Mart Watson taped his camera to the handlebars of stunt rider Robbie Maddison's bike to produce this unique, crazy pic. Not us holding our shins and "Ow"-ing like Peter Griffin.

Radical road legal racer!

It's actually called the Radical SR3 SL, to clarify!

0-60 IN 2.9 SECS!

The showroom was trying to cut down its lighting bill

- **Let's face it, Peterborough wasn't the most interesting place in the motoring world. Until Radical started making the most hardcore race cars there, that is!**
- If you want a balls-out race track car, a Radical's your man. And now that same car can be driven *to* the track (or Tesco's), because their newest creation – the 300bhp SR3 SL – is going to have an MOT and tax disc.
- **Weighing in at just 675kg, the SR3 SL can nearly match a £1.4million Bugatti Veyron Gran Sport for acceleration to 62mph – hitting it in 2.9 seconds. The Bugatti has 987bhp but weighs 1,990kg.**
- On the road, your only enemy will be speed ramps, as the SR3 SL features under-floor aerodymanic diffusers and Le Mans-style front nose cones.
- **To make it road legal, the SR3 SL features stuff like indicators, handbrake and an exhaust just like you'd find in any other car.**
- Like all Radicals, the SR3 SL has been tested to FIA production sportscar levels of crash safety, which are much more strict than road cars. Its chassis is made from super-strong carbon-steel and aluminium. The bodyshell is glass fibre but carbon-fibre bits are optional.
- **While previous models used a 1,340 to 1,500cc superbike engine, the SR3 SL uses a 2.0-litre Ford EcoBoost turbo engine, which powers Ford's new Focus ST.**
- The gearbox is a six-speed sequential unit with an autoblipper and paddle shifts, which means you can keep your foot on the gas between gear changes and downshift without the clutch. Nice.
- **If you like luxury, don't buy one. But if you've got £67k handy and want your neck hair left on the seat and bluebottles stuck in your teeth, it doesn't get more raw. It's not one for winter commuting though!**

Tom Hardy enters the Octagon!

Inception star's fighty new role

WORDS: RORY BUCKERIDGE PHOTOS: PITTSBURGH POST - GAZETTE

We all saw Tom Hardy being very good in *Inception*, right? Well, he's continued his good movie choices with his next – *Warrior*, set in the jolly world of mixed martial arts.

Hardy, who bulked up to club bouncer levels for his turn in *Bronson*, describes *Warrior* as "*Rocky* meets *Deer Hunter*". And if the fight scenes look realistic, that's cos they were real fights – Hardy broke two ribs and a toe and tore the ligaments in his right hand during filming!

Admittedly, anyone who's pooed in a plane will have *technically* taken a faster dump, but Indianapolis-based mechanic Paul Stender's "Jet Outhouse" is a truly portable toilet! Home DIY slip nearly costs Yank his pin!

This week's Don't Look! comes all the way from our equally accident-prone mates across the Atlantic in the USA!

Ben Jones, a 36-year-old tiler, was cutting some carpet when his hand slipped, slicing his entire thigh open lengthwise.

"I thought I could save some cash doing the carpet myself," Ben tells *Nuts*. "But as I was cutting, I slipped backwards, and in the process ran the whole of the knife up the inside of my leg. The razor-sharp blade sliced through my flesh, and blood started gushing out.

"I decided to drive myself to the hospital and snapped this picture while I was sitting waiting at some lights!

"It's healing now, but my wallet isn't – the US healthcare system has meant that this has cost me a mind-boggling £12,000 so far!"

Naughty pics wind me up!

My new girlfriend texts me naughty pics of herself, but some of them are quite old and I'm guessing she must have sent them to other blokes. This does my head in! What do you think?

Steve, Shrewsbury

You don't know they've been around to loads of blokes – she may have taken them for her own satisfaction. Don't ask her if you haven't been with her for long. You may just have to accept that she might have been with people before you came along.

Nuts BABES' SEX TIPS!

No.34: "Invest in some remote-controlled sex toys, go to a bar together and have fun working each other up!" **Porchia**

PHOTOS: ZOE MCCONNELL, IMM

She's so wet!

My girlfriend gets ridiculously wet downstairs even when I barely touch her. Is this normal?

Mikey, Bristol

Not entirely, no! I'm not a doctor but I'm told this does happen in some circumstances. I'd just take it as a compliment that she's getting really excited about you even before you touch her – it's not really a problem, is it?

Lip rings: sexy?

I'm thinking of getting my lip pierced to look "edgy" for the ladies. Is this the kind of thing lasses find sexy?

Stu, Newcastle

I think there's a specific kind of girl who would go for that. Personally, I wouldn't really be into it – it's very much the kind of thing that has a niche appeal to girls who have lots of tattoos and piercings. Think who you'd want to have as your girlfriend before you do it!

Should I lie?

I've been with a lot of women – nearly three figures. Should I lie to a girl if she asks how many I've slept with, because I'm looking to settle down now?

Joe, Essex

Everyone probably lies about this. I suggest you ask her first and then I'd recommend being in the same ballpark. If the girl is one you can see yourself marrying one day, then it's not great to lie to her, but it's also acceptable to "un-exaggerate" a little to keep her happy.

"If she's really wet, take it as a compliment!"

NEXT TIME: SOPHIE HOWARD ANSWERS YOUR LETTERS!

Sophie a

d Leah!

Our raunchiest girls in their rudest shoot!

Hello ladies! What is it that makes you two such a naughty duo?
Leah: We're the perfect combo! We're both very dirty mentally, so that's a good start. We were talking about Sophie's foul mouth earlier. Sophie's pretty crazy, like me! I think we're on a good wavelength so the pictures should complement our personalities pretty well. ➡

"Sophie's a bit of a nympho!"

Sophie: I'm going to be really sweet and innocent in this interview because normally you want to rein me in, so today I'm doing the opposite! Leah can be the rude one!

How do you compare each other's bodies?

Leah: Sophie has giant boobs! They make mine look like apples compared to her melons! I haven't had a squeeze today but I can't wait to get my hands on them!

Sophie: Calm down! Leah's body is absolutely amazing, she has lovely boobs. And she has good poise! She's very taut and tight. Lovely.

What are your favourite things about each another?

Leah: She's bit of a nympho – like me! We both like the same things and we're a bit naughty when it comes to sex! Sophie is the kind of girl you can have a conversation with and take it below the belt!

Sophie: Usually, when I do shoots with other girls they get a bit scared of me, but here it's the other way around – I can't believe some of the stuff Leah comes out with!

Like what?

Leah: I'd love to have my own sex toy range! It's all about the Bullet! I'd like to do something with the Bullet attached to a battery that you insert inside you. So it'd be like two Bullets, one that you put inside you and one you use on the outside!

Sophie: See what I mean? I think I'd make a blow-up man, but I wouldn't want it to look like a toy, I'd want it to look like one of those real dolls, but a bloke one! It'd have a squishing action on the hips and give snuggles afterwards. You'd have to work to get him hard, but then he goes all night!

How often do you think about sex?

Leah: Too much! I wake up in the morning thinking about it, and I think about it before I go to bed. And I've been known to wake up in the night because of it, so it's a bit of a curse, really! ➡

SOPHIE & LEAH

INTERVIEW: RICH JENKINS PHOTOS: ZOE MCCONNELL STYLING: KAREN WILLIAMS HAIR & MAKE UP: JOHANNA DALEMO

Sophie: It's literally first thing in the morning, have a quick one. And then depending on what I get up to in the day, I'll have a few more. If I'm doing something where I can't touch myself, by the time I get home I'm ready to explode!

Goodness. Now, if sex was an Olympic sport…

Leah: I'd definitely be going for gold! I'd do how fast you can "bash your ass"!

Bash your what?

Leah: Well, in doggy style, the bloke just stands and does all the work, and then a lot of women are just lazy – they just take it. But if you're good, you bang your bum back against the man. Depending on how fast you can control it, you can make a man explode!

Sophie: I genuinely think I'd make a good Sex Olympics competitor. Maybe Leah and I should form some sort of tag-team relay partnership?

Good heavens! Do you just like sex or do you like romance as well?

Sophie: Yeah, I like romance too. On a date, I like sushi but I think it's really bad for first dates because you end up just sloshing it down yourselves!

Leah: Of course, every girl likes romance. But you have to find a romantic guy who's up for as much sex as you are, then you'll really be happy!

Who's the naughtier out of the pair of you?

Sophie: I think Leah has a dirtier mind than me – she's quite out there! She actually scares me a little bit! I'm used to being on shoots with girls who are a bit quiet, but Leah's straight in there with the filth. And she's naked *a lot*!

Leah: I'm not naked that much! I'm just very happy. And when I'm happy, my clothes tend to come off!

Sophie: She's not joking! The last photographer we worked with said there's only one lady garden he's seen more of than mine, and it's Leah's! She just loves being naked. I think in general we're just both OK with being in the nude, to be honest! ■

"Leah loves being naked!"

The top funny chap shows *Nuts* his stand-up tekkers!

Hi Tim! Can you tell us what's the best joke you've ever written? "One-armed butlers. They can take it but they can't dish it out!" That and "I went to the butcher's and he said, 'I bet you can't reach those bits of meat up there.' I said, 'I'm not betting – the steaks are too high!'"

You're famous for your rapid-fire gag delivery, so we're going to put you to the test with some random topics. Ready? Here goes:

David Beckham. David Beckham used to wear wrap-around skirts. What's sarong with that?

Wayne Rooney. I saw a footballer covered in coconut. It was Wayne Macarooney!

The England football team. They say Steven Gerard's second to none. If this nun's that good, why don't England play her?

The Stig unmasked. Speaking of unmasked, I saw the Honey Monster the other day. I always wondered who was in the costume, so I went over to him and took his mask off. It was Bungle from *Rainbow*.

Package-enhancing pants. Ha-ha! A guy was talking to me for two hours trying to sell me those package-enhancing pants. I thought to myself, "Stick a sock in it!"

***The X Factor*.** I was watching *The X Factor* the other night but I'm deaf. I never thought I'd hear myself say that!

Liverpool FC. They've got American owners, haven't they? Did you know one in 12 Americans have worked for McDonald's? The other 11 got rejected! Speaking of McDonald's, I went there the other day and there was a sign that read "There's only one Big Mac!" I thought to myself, "I won't bother then!"

The Peter Crouch scandal. I live next door to Peter Crouch, actually. I saw him on the other side of the fence the other day and said to him, "Are you really tall or standing on stilts?" He said, "Both. I'm stood in a ditch!"

Ed Miliband. I saw David and Ed Miliband the other day and they were both drooling. That's a dribbling rivalry!

***The Apprentice*.** Alan Sugar has a brother called Brown!

Mel Gibson. I saw this film star sniffing an electric guitar. It was Smell Gibson.

The Ryder cup. So I rang up my local golf club the other day and asked to speak to the green keeper. The man on the phone said, "Hold on, I'll put you through."

Bruce Forsyth. It's funny this one's come up because I was talking to Bruce the other day. He was saying he wasn't very happy with people taking the mickey out of him. I thought, "Come on, Bruce, chin up!"

Chilean miners. I see Take That wrote a charity single for those poor mining guys who were trapped underground. It's called *A Chilean Love Songs Later*.

Cheryl Cole. Interestingly enough, I saw her wearing an old coat the other day. It was a bit tweedy!

Katie Price. I was actually with her in London the other day. I said, "Is that the river, Jordan?" She said, "No, it's the Thames." **She probably wouldn't get that joke! Harry Potter ending.** I saw Harry Potter with a wand. I thought, "That should do the trick!"

Cricket. The last time I was asked to tell a joke about cricket, I was stumped!

Katy Perry/Russell Brand wedding. I always get very emotional at weddings. The last one I went to, I was crying my eyes out. The worst part was when the Vicar said, "I'm afraid she hasn't turned up, Tim!"

Crikey! You've managed to complete our test. Consider yourself the proud owner of a *Nuts* machine-gun gag question rosette. If such a thing existed. Finally, tell us about your new book. It's a joke book with over 1,000 gags in it! 1,001, to be exact, and there's about 100 funny cartoons, too. I basically just raided my back catalogue! ■

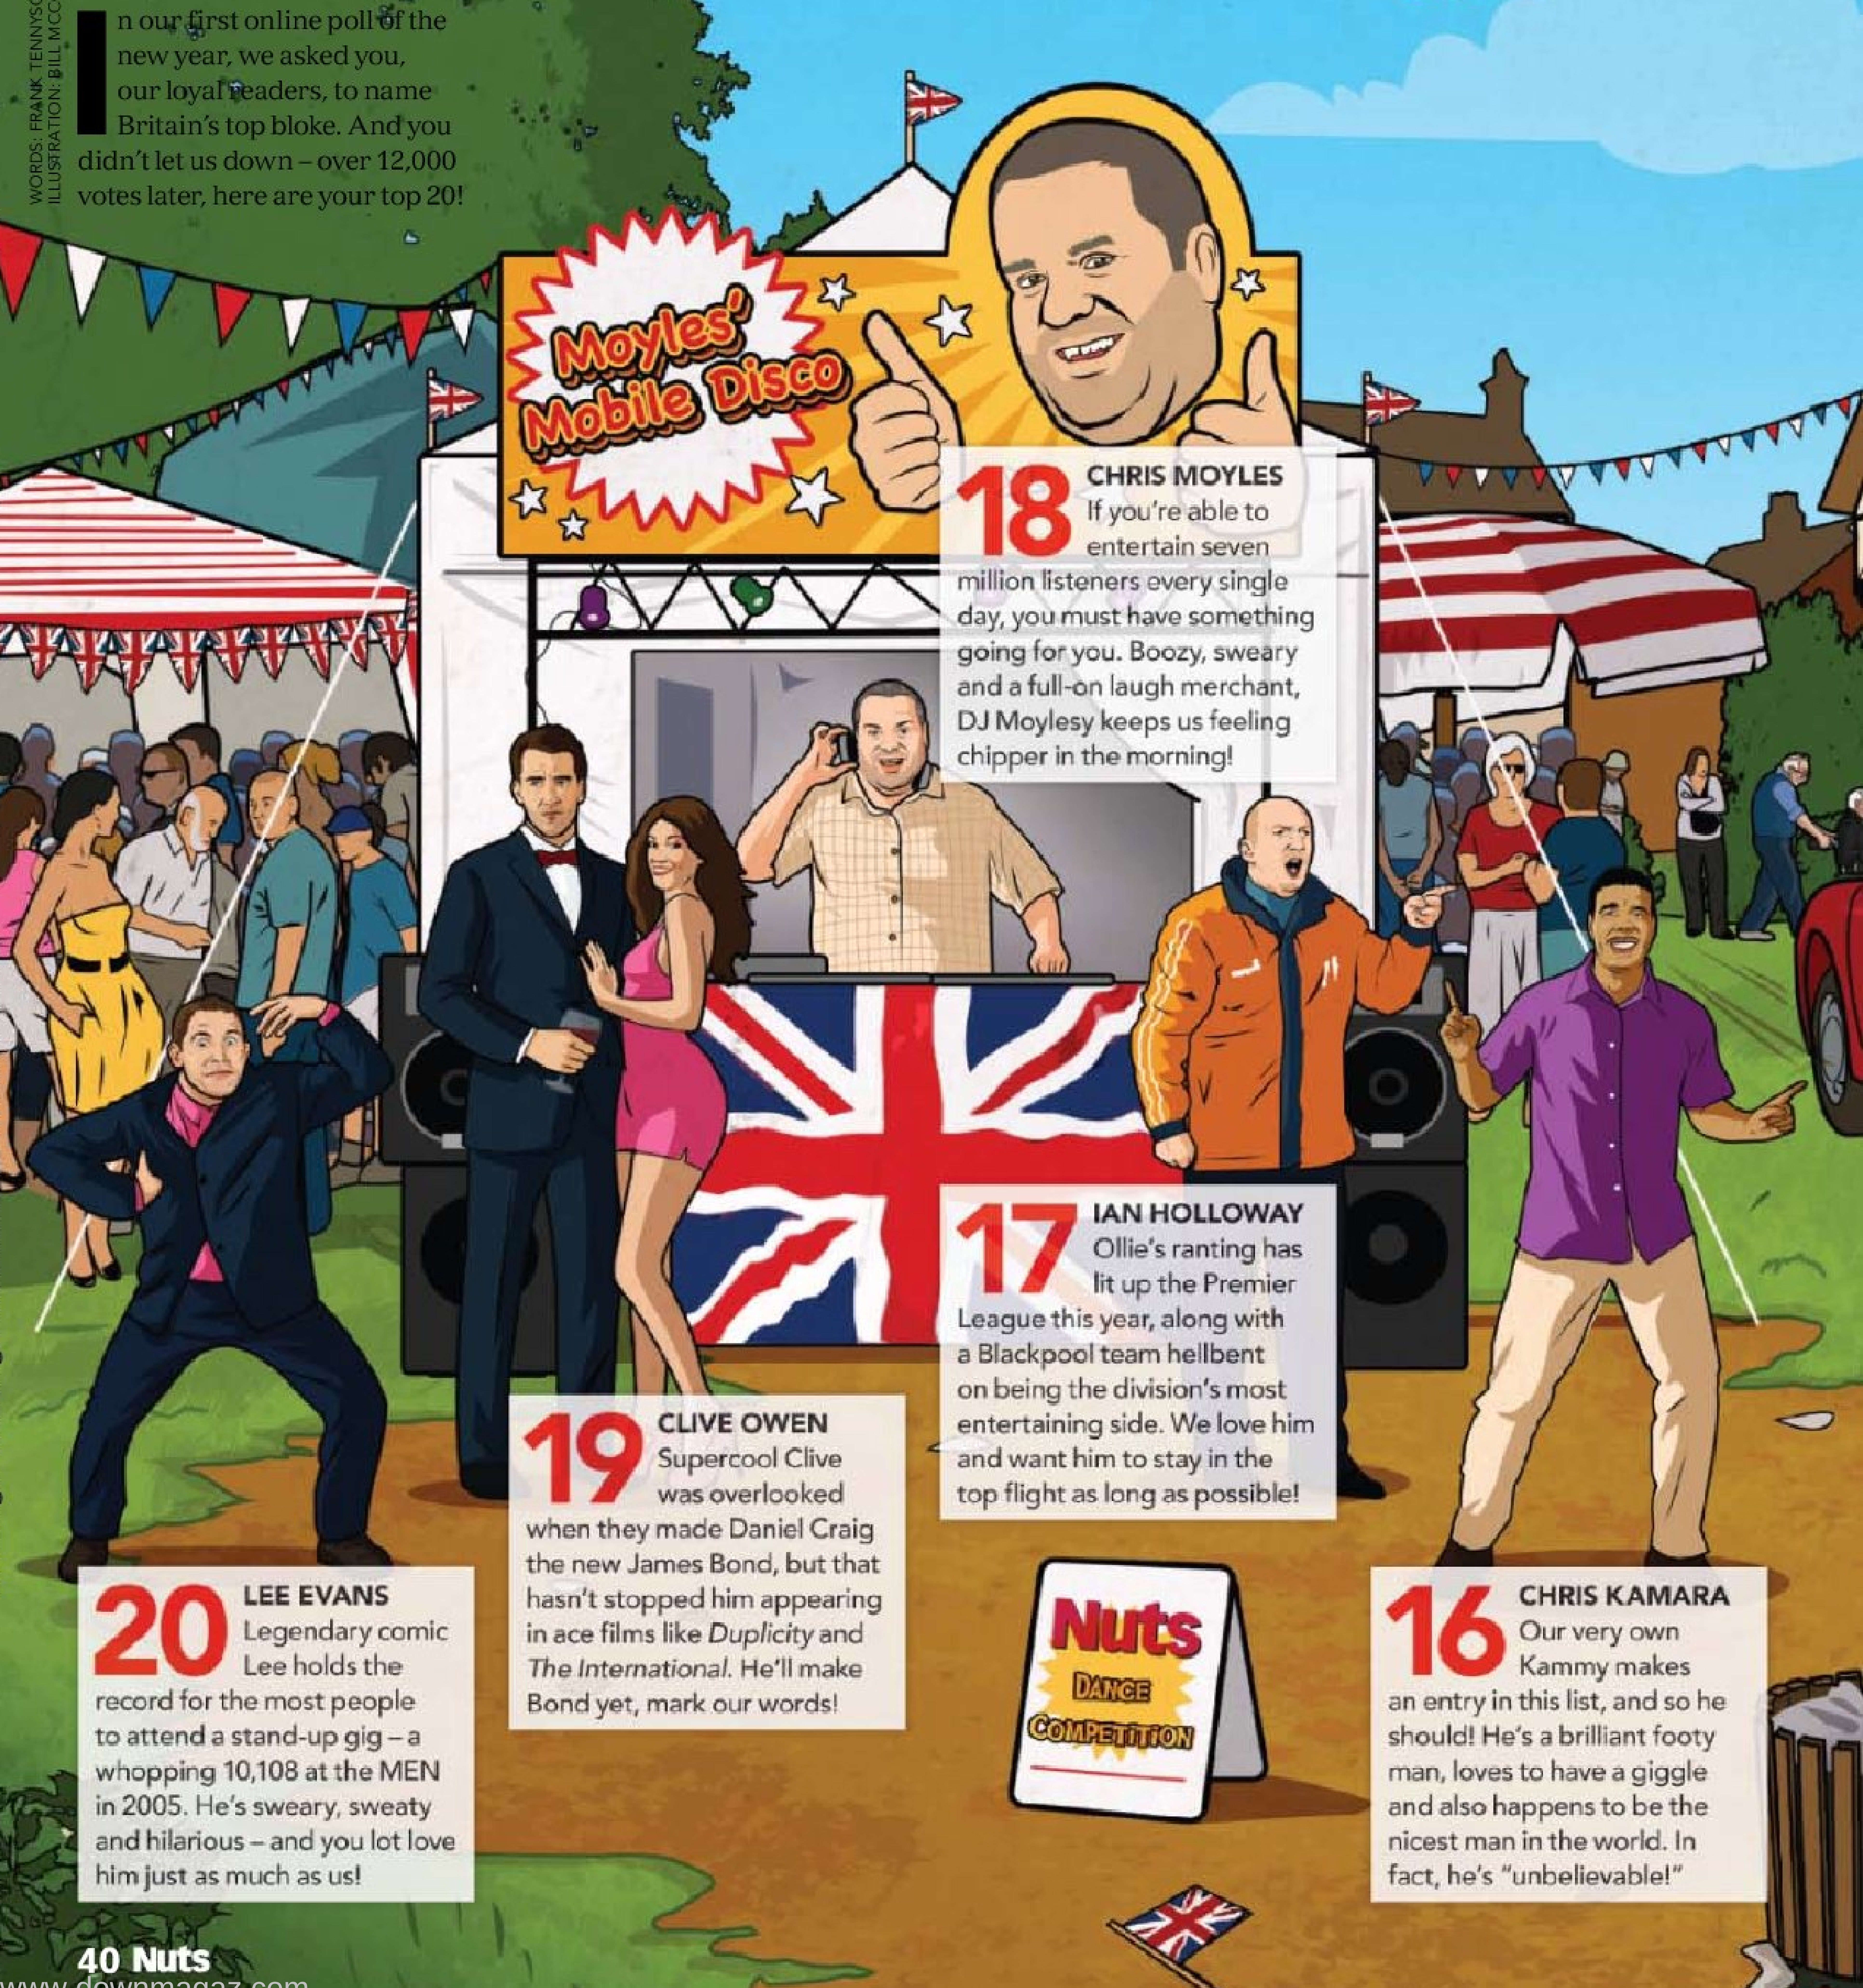
Britain's gre

You voted! We counted! And the winners are…

WORDS: FRANK TENNYSON, RICH JENKINS • ILLUSTRATION: BILL MCCONKEY

In our first online poll of the new year, we asked you, our loyal readers, to name Britain's top bloke. And you didn't let us down – over 12,000 votes later, here are your top 20!



20 **LEE EVANS**
Legendary comic Lee holds the record for the most people to attend a stand-up gig – a whopping 10,108 at the MEN in 2005. He's sweary, sweaty and hilarious – and you lot love him just as much as us!

19 **CLIVE OWEN**
Supercool Clive was overlooked when they made Daniel Craig the new James Bond, but that hasn't stopped him appearing in ace films like *Duplicity* and *The International*. He'll make Bond yet, mark our words!

18 **CHRIS MOYLES**
If you're able to entertain seven million listeners every single day, you must have something going for you. Boozy, sweary and a full-on laugh merchant, DJ Moylesy keeps us feeling chipper in the morning!

17 **IAN HOLLOWAY**
Ollie's ranting has lit up the Premier League this year, along with a Blackpool team hellbent on being the division's most entertaining side. We love him and want him to stay in the top flight as long as possible!

16 **CHRIS KAMARA**
Our very own Kammy makes an entry in this list, and so he should! He's a brilliant footy man, loves to have a giggle and also happens to be the nicest man in the world. In fact, he's "unbelievable!"

atest blokes!

as voted by YOU

15 **RICHARD HAMMOND**
The Hamster won't like being behind May and Clarkson on this list, but we're sure a day at the office (read: sitting behind the wheel of a Lamborghini or an Aston Martin) will lighten his mood!

14 **JAMES MAY**
And Captain Slow takes the lead! At least, in the race for *Top Gear* presenters proving their popularity with *Nuts* readers! He may have awful dress sense, but he's got a dream job and he's a nice chap, too!

13 **SIR DAVID ATTENBOROUGH**
He may be getting on a bit these days but he's still the main bloke behind every single cool TV nature documentary of the last 50 years! Still globetrotting at 84, this man is seriously hardcore!

12 **SIMON PEGG**
From a hapless bloke on the run from zombies in *Shaun Of The Dead* to, er, a hapless bloke on the run from aliens in *Star Trek*, self-confessed nerd Simon proves that any bloke can make it big in Hollywood!

11 **RUSSELL HOWARD**
Boss comic and West Country legend Russ is a regular on *Mock The Week*, tours often and has his own gag-filled show, *Good News*! Three brilliant reasons why as blokes go, he's ace! ➡

Harry's Ice Cream

10 HARRY HILL

The bonkers baldy is in your top ten because he hosts the funniest show on the box, *TV Burp*. And who else would stage a fight between Heather Mills and Hitler – and then back the Austrian nutcase? Nuff said!

9 SACHA BARON COHEN

Is there no end to this man's talents? Apparently not. He created comedy monsters Ali G, Borat and Brüno, and he's also persuaded awesome Aussie actress Isla Fisher to marry him. Top geezer!

8 BORIS JOHNSON

The Mayor of London, bumbling, mop-headed Boris isn't your ordinary politician – in the sense that even when he's telling us a load of old garbage, as all politicians do, at least he does it an entertaining way.

7 FRANKIE BOYLE

Non-PC joker about loads of taboo subjects? Check. Insanely funny newspaper columnist? Check. A friend of *Nuts*? Check. Someone you think is a proper bloke of the highest order? It's a full house!

6 JEREMY CLARKSON

He may dress a bit like a geography teacher, but there's something unavoidably cool about Clarkson. Maybe it's because he knows a lot about cars, maybe because he doesn't care who he offends – either way, you think he's ace!

5 CHRISTIAN BALE

One of the coolest actors around right now, Christian breathed life into both the *Batman* and *Terminator* franchises by getting rid of the all the silly campness and replacing it with ballsy Britishness!

4 DAVID BECKHAM

With his celebrity lifestyle and more money than he knows what to do with, we should all hate Becks, right? Wrong! An exceptional footballer, we'd love to sit down for a pint with him. He'd be buying, though!

3 DAVID MITCHELL

You voted for this posh gag merchant in your thousands and we can see why. Co-star of *Peep Show* and *That Mitchell And Webb Look*, David is unfailingly funny and a thoroughly decent chap. You see, nerds can be cool!

2 DANIEL CRAIG

Here's the man who put the lead back in James Bond's pencil! Taking the world's best secret agent to the darkest of dark places, he's reinstated Bond as a mean chap who beats up bad guys for fun. Nice work, Dan!

1 STEPHEN HAWKING

So here we have it – the chap you voted Britain's best bloke! And why not? After all, Professor Hawking believes in aliens and that alone is good enough for us. Congratulations, Professor! Here's what he had to say… ■

"Thanks, *Nuts*. I'm pleased to hear that I'm Britain's favourite 'Nut'!" – Stephen Hawking

Jessica-Jane Clement!

The TV hottie frolics in a limo!

We here at *Nuts* have never been very good at saying no to girls. Especially sexy ones! So if Jessica-Jane Clement wants a limo to frolic around in, that's what she'll get! And if she wants to get undressed in there while she's doing it, then we're not going to stand in her way about that, either! We're really a very giving bunch. And now we're giving these sexy shots to you, our readers – enjoy! ➡

Hi Jess! We're coming to yours for tea. What's on the menu? For dinner, it'd be a nine-course, Michelin star-style menu, then I'd give you the bill at the end! Ha-ha!

What was the last record you bought? Katie Price's single! Me and my mum watched her show, and she was singing it. I couldn't get it out of my head, so I downloaded it! [Begins singing, quite nicely, "Freeee to loooove!"]

What music can't you stand? I hate all R'n'B! I don't mind the artists, it's just the music. I'm not into them rock chick-type girls who act all depressed and bizarre, either! I saw a fairly new artist on *Something For The Weekend* recently, and she acted like she didn't know how to crack an egg. What an idiot!

If we were to look at your film collection, what would we find? Two totally contrasting collections! I've got my classic comedies, like *Wayne's World*, *Clueless*, *Beetlejuice*, *The Goonies*, *The Money Pit* and *The Monster Squad*! But then I *love* gross horrors, so I have all the *Saw* films as well! There's nothing better than sticking one of them on, then cuddling up to someone, so you can hide from the gory bits.

If you could trade places with someone for a day, who would it be and why? I'd trade places with someone who's p*ssed me off and then I'd act like an idiot! I'd eat loads of cake and chips and lager, and max out all their credit cards with really random crap. That'll teach them to get on the wrong side of me!

Blimey! If someone was to write a biography about you, what do you think the title should be? *"My Mother Was Right About Everything!"* Sometimes mums really do know best.

What was the last really funny thing you saw? I was in Tesco's recently after a boozy session and my friend grabbed a bunch of flowers and walked off with them! Silly and immature, I know, but it was the way he did it – it was like ballet, it was so gracefully done. I'd like to say sorry to Tesco's, of course. I don't ➡

I love to cuddle up and watch SAW! ♡

condone theft at all – even when it's that funny!

When was the last time you were really embarrassed? When I was talking about Dido and accidentally said "dildo"! Oh, and falling asleep in Faces nightclub. I don't seem to go more than about an hour without embarrassing myself.

What's the one sexy/naughty thing you haven't done but would like to? Be a bloke for a day and have sex! I just can't imagine what it feels like, and I'd like to find out.

Have you ever caused an accident because someone has been looking at you? Yeah, someone walked into a lamppost once because they were having an eyeful. Also, on this shoot – in the limo – the tinted windows became see through every time the cameras flashed, so everyone saw flashes of me in interesting positions! I'm sure that caused a few accidents as we were parked on a main road!

What's the most ridiculous story you've ever read about yourself? That I was pregnant with twins and dating some footballer I've never ➡

I'd love
to be a bloke
and have
sex! ♡

Men need to stop acting cool!

heard of. I don't know where they come up with it. It's just crazy!

Have you ever had a bedroom request that you've turned down? Sleep! Ha-ha!

What's the one thing a bloke can do to make himself attractive to the opposite sex? Stop acting too cool, like when men go all floppy and act like they're too good to move their own feet! The guy in my bank does that, and it's not impressive – do your job, that'll impress girls more.

How many times a day do you get recognised? About ten or so, maybe. Depends what I'm wearing. On nights out, I get recognised a lot more. I think it's because I'm more glammed up, so people might recognise me from the shoots or on TV.

Who's the most famous person you've ever met? Robert Downey Jr! He was seriously cool. I met Gok Wan the other day, too. He's amazing. He's just such a lovely guy! ➡

Who would you like to meet? The person who says I can't have pets in my flat! Oh, you mean a famous person? Bette Midler, Liza Minnelli, the Playmate Kendra Wilkinson – she seems like a laugh! I'd love to do an interview with Howard Stern, too – I think that could be pretty interesting!

If we could grant you one single wish right now, what would it be? To make the distance between London and Sheffield a lot shorter! I'm travelling all the time at the moment and I think I must be single-handedly funding Midland Mainline!

Thanks for the chat, Jess! Finally, if you had to snog one other woman, who would you want it to be? Sarah Michelle Gellar. She's used to snogging girls and making it look real anyway, plus I was a huge fan of *Buffy The Vampire Slayer* back in the day. If I kissed someone obvious like Megan Fox, it'd just end up everywhere and be made into some sort of porno! ■

"Right, where's the guy who keeps doing the Crouchy captions?"

Spurs vs Man Un

England's strike duo talk to Nuts ahead of their big league clash!

Crouch: "Harry's a genius!"

Hi Crouchy! Has Spurs' form surprised a few people this season? I don't know if surprise is the right word, because if you look at our dressing room, there's quality everywhere. We've got talented young players and great experienced ones, too. And any team managed by Harry Redknapp is going to play good football.

So are Spurs now one of the Prem's big boys? Let's see where we are at the end of the season! We must at least qualify for the Champions League again. We have to be a lot more consistent. This has always been a fantastic club with a huge history. Maybe it hasn't won as many trophies as some of the players who've played here over the years might suggest. It's up to us to really compete in the league and in Europe – and not just for one season, but year after year.

What's Harry's secret? Harry understands football and how footballers think. He appreciates what players can and can't do and then sets about getting the best out of them. He's a genius at getting in your head and making you feel good about yourself.

And he makes you feel ten foot tall? Or, in your case, six foot seven! Ha-ha! Yeah, Harry's been great to me throughout my career. It's no coincidence I've sort of followed him around!

Which one word best sums him up? Positive.

But can that positivity be a bit dangerous sometimes? After all, you can't win every game 4-3. He sends us to go out and win football matches and doesn't make any apologies for that. We're there to entertain as well as get results so, hopefully, we'll always score more goals than the opposition! And at the same time, Harry's not stupid – he sets us up so we can play relaxed and with confidence and yet we also know what to do when we don't have the ball.

Are Spurs a bit less gung-ho in the Champions League? We play in the same positive way but we're learning all the time. It's a new experience for a lot of us but we're enjoying every minute of it. I don't think too many teams will fancy playing us, especially at home. The atmosphere at White Hart Lane on European nights is electric – the kind of atmosphere you become a footballer to experience.

Cheers for the chat, Crouchy! Final question – Harry for England? He'd do an amazing job for England – there aren't many better managers in the business and what he's done at Tottenham is incredible. But hopefully the call-up won't come for a little while yet. He's still got a big job to do for Tottenham!

"Dad, why do you always miss my goals?"

"Er, this polo neck's a bit tight!"

ited special!

Rooney: "I want to make history"

Hi Wazza! Is the title Man United's to lose now? I've said it before and I still believe the title race will go down to the final few games. I've seen nothing to change my mind about that. We're taking nothing for granted at the club. Everything can change in just a few games.

It's been the most open title race for decades. I'm sure it's exciting for the fans but as United players, we just want to win the thing! Of course, to do that won't be easy but we're in a good place right now.

People say United haven't got out of first gear and yet you still haven't been beaten in the league this season. What will happen if you actually start playing well? It's all about the results and winning games at the end of the day. We'd love to play exciting football all the time, but we're focused on winning more than anything else. Historically, this is the time of the year where we start to really find our form – hopefully, it'll be the same again this year.

What about your own form? You've had a bit of a bad run until recently – are we now starting to see some more of the old Wayne Rooney? I hope so! Footballers always go through dips in form so I wasn't really worried. I have confidence in my own ability – I always have – so I knew I'd get better and start scoring goals again. At the minute, I feel good and ready for the business part of the season.

You've got fame, riches, the lot – what keeps you motivated? Playing football's the only thing I've ever done and to be paid for doing something you love is amazing. I want to win things here at United, so when I end my career, people will maybe think I was a decent player. This club has amazing history and I want to make sure I'm a part of that.

Which footballers do you look up to? Obviously at United, it's Giggs, Scholes and Nev. What they've achieved over so many years is incredible. And they're the same as ever, desperate to win things and giving everything for the team. On the international stage? Ronaldo and Messi are two of the best players in the world, with amazing ability. They can do things with a ball most people can only dream about.

Thanks for the chat, Wayne! Finally, what are your hopes for United between now and May? Getting the title back is a huge thing for us. We were devastated to lose it to Chelsea last year so we need to set things right there. As for Europe? Man United is a massive club that needs to be doing well in the Champions League – all the lads are well aware of that. The expectation from the fans is that we win every competition we're involved in, so it's our job to keep them as happy as we can!

He's the voice of the fans – and he's only in *Nuts*!

"He's about so wide, goes by the name 'Lamps'. Any sign of him?"

Chelsea have shot themselves in the foot!

Probably the one question I've been asked most this season is, "What's gone wrong at Chelsea?"

Well, first of all, I don't buy into the argument that the players are suddenly too old. Remember, this is a team that won the double last year and started this season like a train.

Yes, they've had injuries, but so have other clubs and Chelsea's squad is as strong as anyone else's. I believe the answer is simple – the Blues have put themselves in crisis.

Is it a coincidence that results fell off a cliff the game after assistant coach Ray Wilkins was sacked? I don't think so.

Why on earth would Roman Abramovich change a winning formula? Hasn't he heard of the saying "If it ain't broke, don't fix it?" Actually, come to think of it, he probably hasn't!

But it seems mad for an owner to shoot himself in the foot like that. Most football people will tell you the assistant role is pivotal in any football club, and in Ray's case he was certainly loved and respected by the players. Maybe Abramovich couldn't see this from his billion-dollar yacht!

At a stroke, the players were robbed of the one bloke in the dressing room they could trust with any of their problems.

Clearly, there had been some kind of fall-out between Ray and Abramovich. It certainly wasn't anything to do with Carlo Ancelotti because I know they're still close friends.

Whatever happened behind the scenes, Chelsea ended up being destabilised and now they have a manager who seems very much alone. The body language has changed for sure – he looks a little bit lost.

I think it's clear to everyone that the man who's come in as the new number two, Michael Emenalo, isn't of the same calibre as his predecessor.

From here on in, the Blues have a hell of a battle to get their season back on track. They're still good enough to win the title but it'll be a long, hard slog – and it didn't need to be!

However, on the bright side, all the furore surrounding Chelsea's fall from grace means Ray Wilkins must be the world's best coach! I'm sure he'll be back in football before long.

"Without Wilkins, the manager seems alone!"

I had my doubts about Cristiano Ronaldo after he left Old Trafford, but he's made me eat my words. Sixty goals in his first 61 Madrid games? Unbelievable!

UNBELIEVABLY BAD!

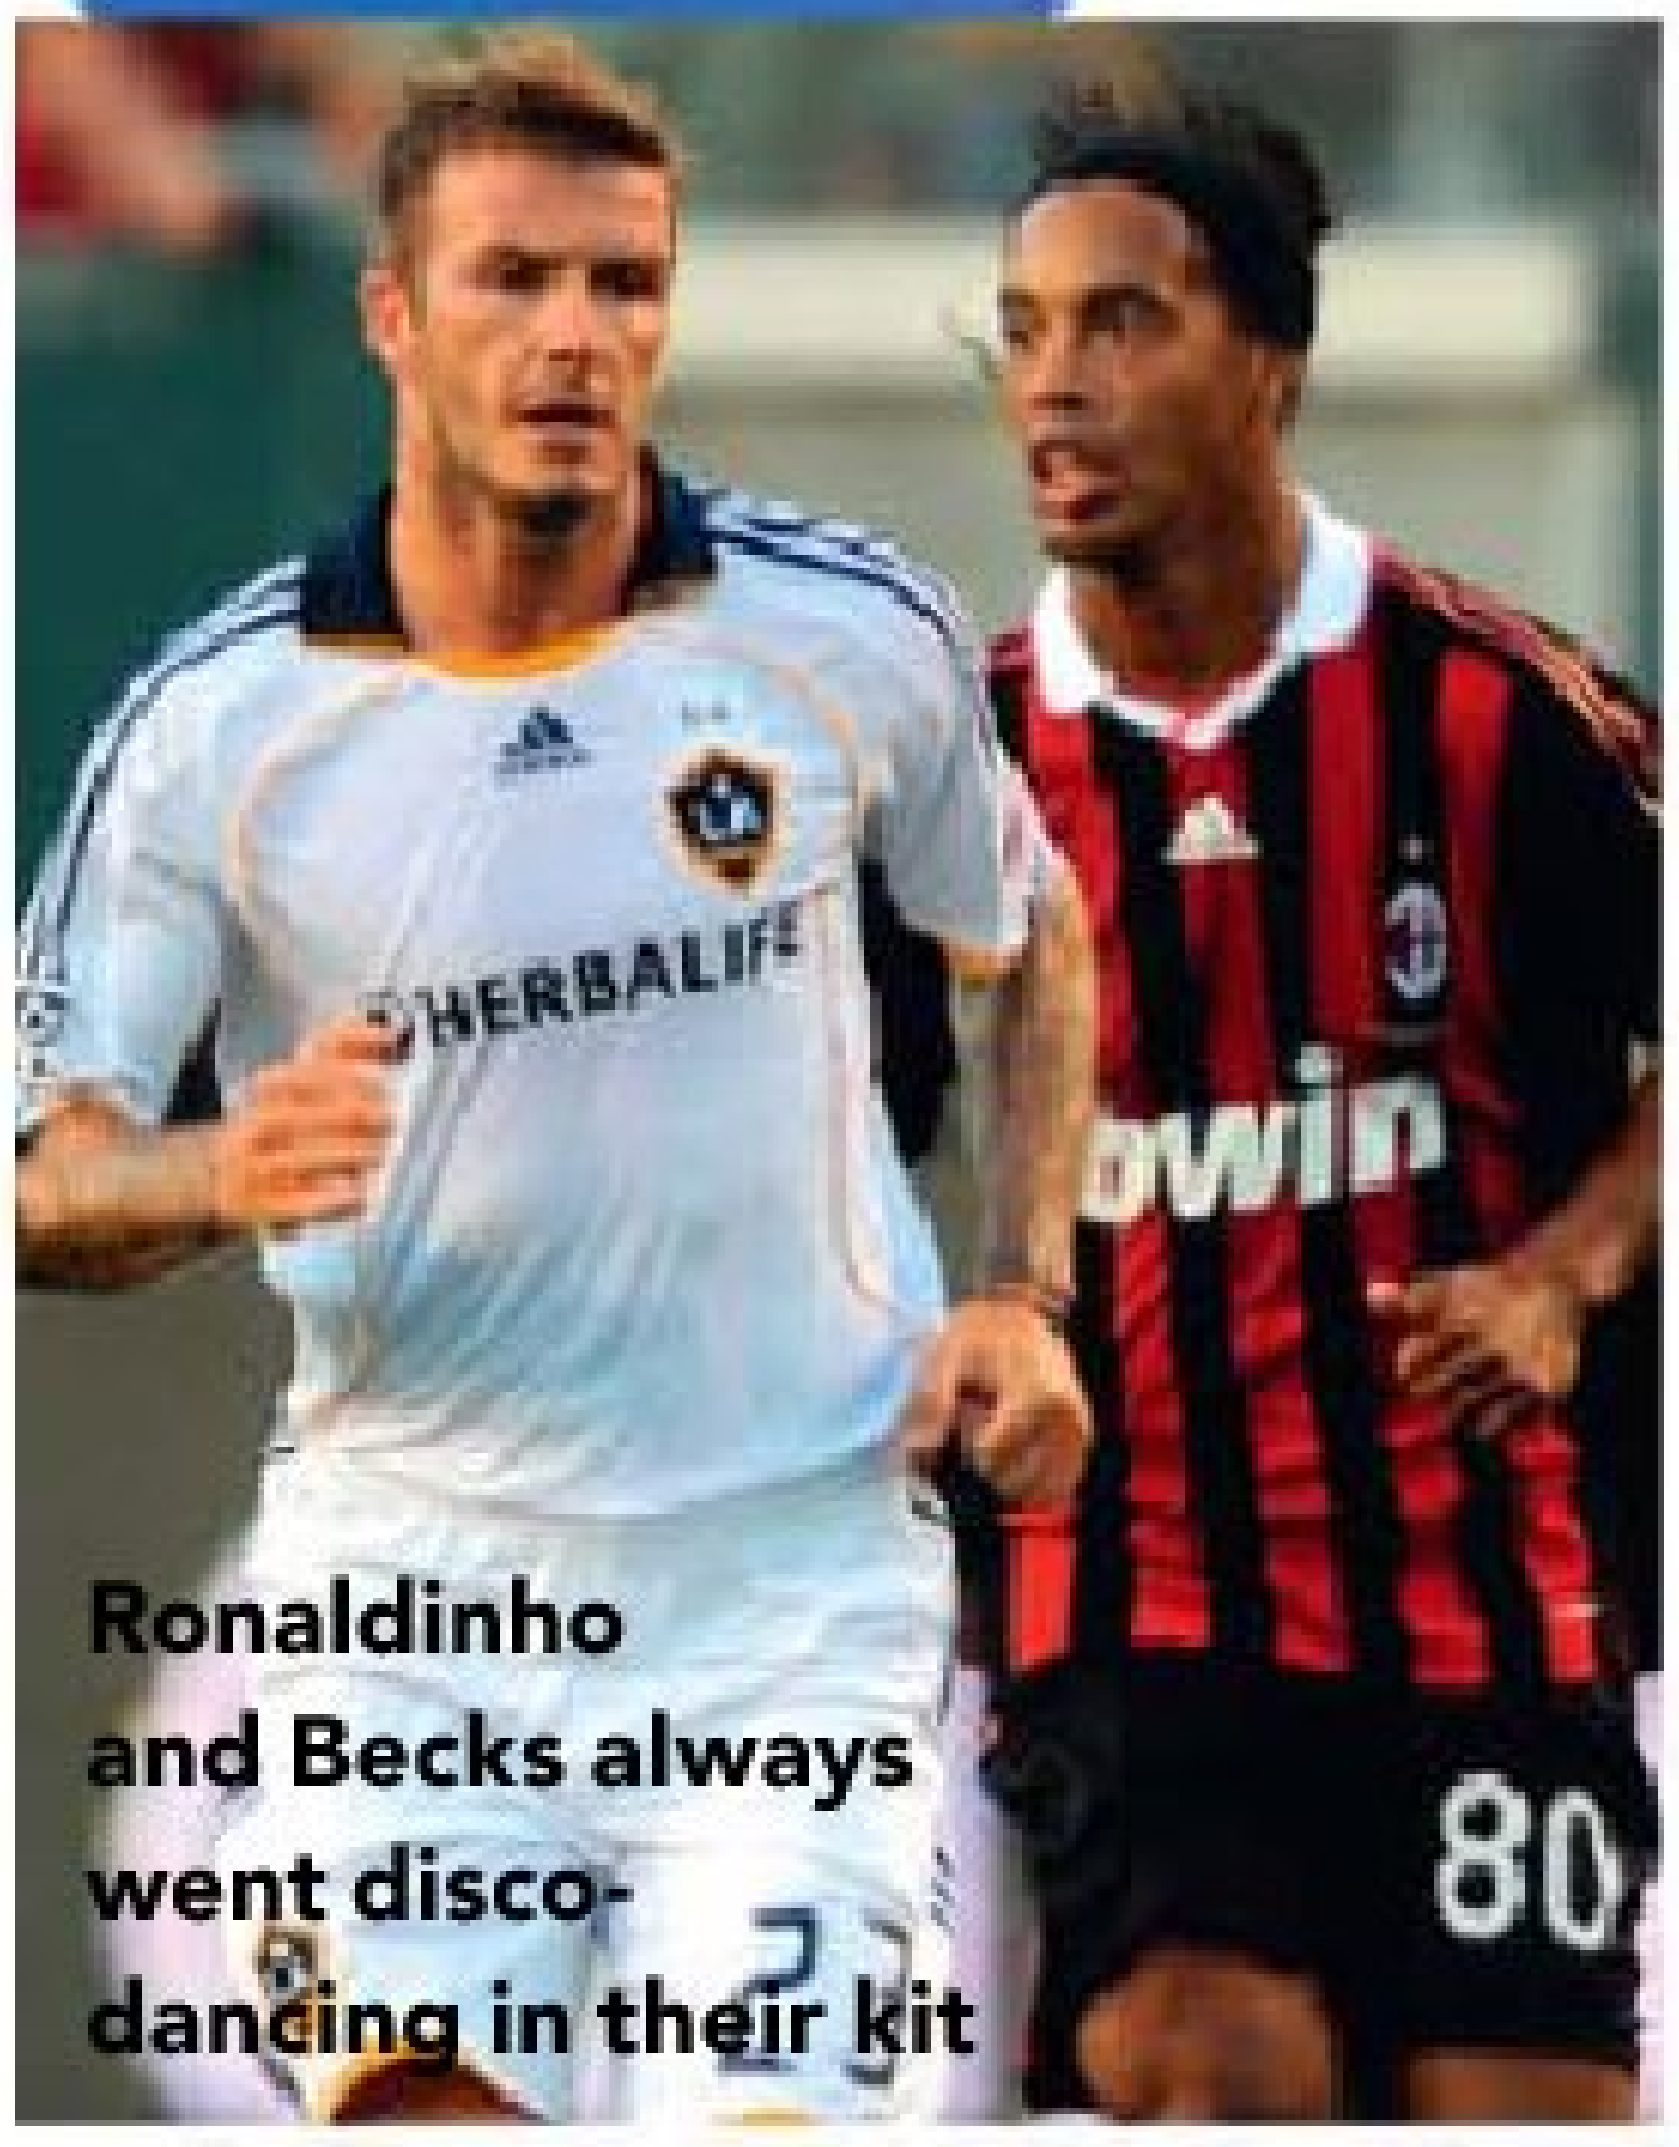
MANAGERS

Forget the transfer window, this has become the sack-the-manager window. Bosses are dropping like flies and it's not good for the game!

I admire Blackburn!

It's well documented that I didn't agree with Blackburn's decision to sack Sam Allardyce, but I admire their ambition in trying to sign the likes of Ronaldinho and David Beckham!

I want to see the very best footballers playing in the Premier League and to have these two in Rovers colours would've been amazing!



Ronaldinho and Becks always went disco-dancing in their kit

1 WEST HAM VS ARSENAL

A crucial game for teams at either end of the table but I think if the right Arsenal turn up, with their extra quality, they'll win this by at least two clear goals.

Nuts GAMES

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- **The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.**
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- **The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.**

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

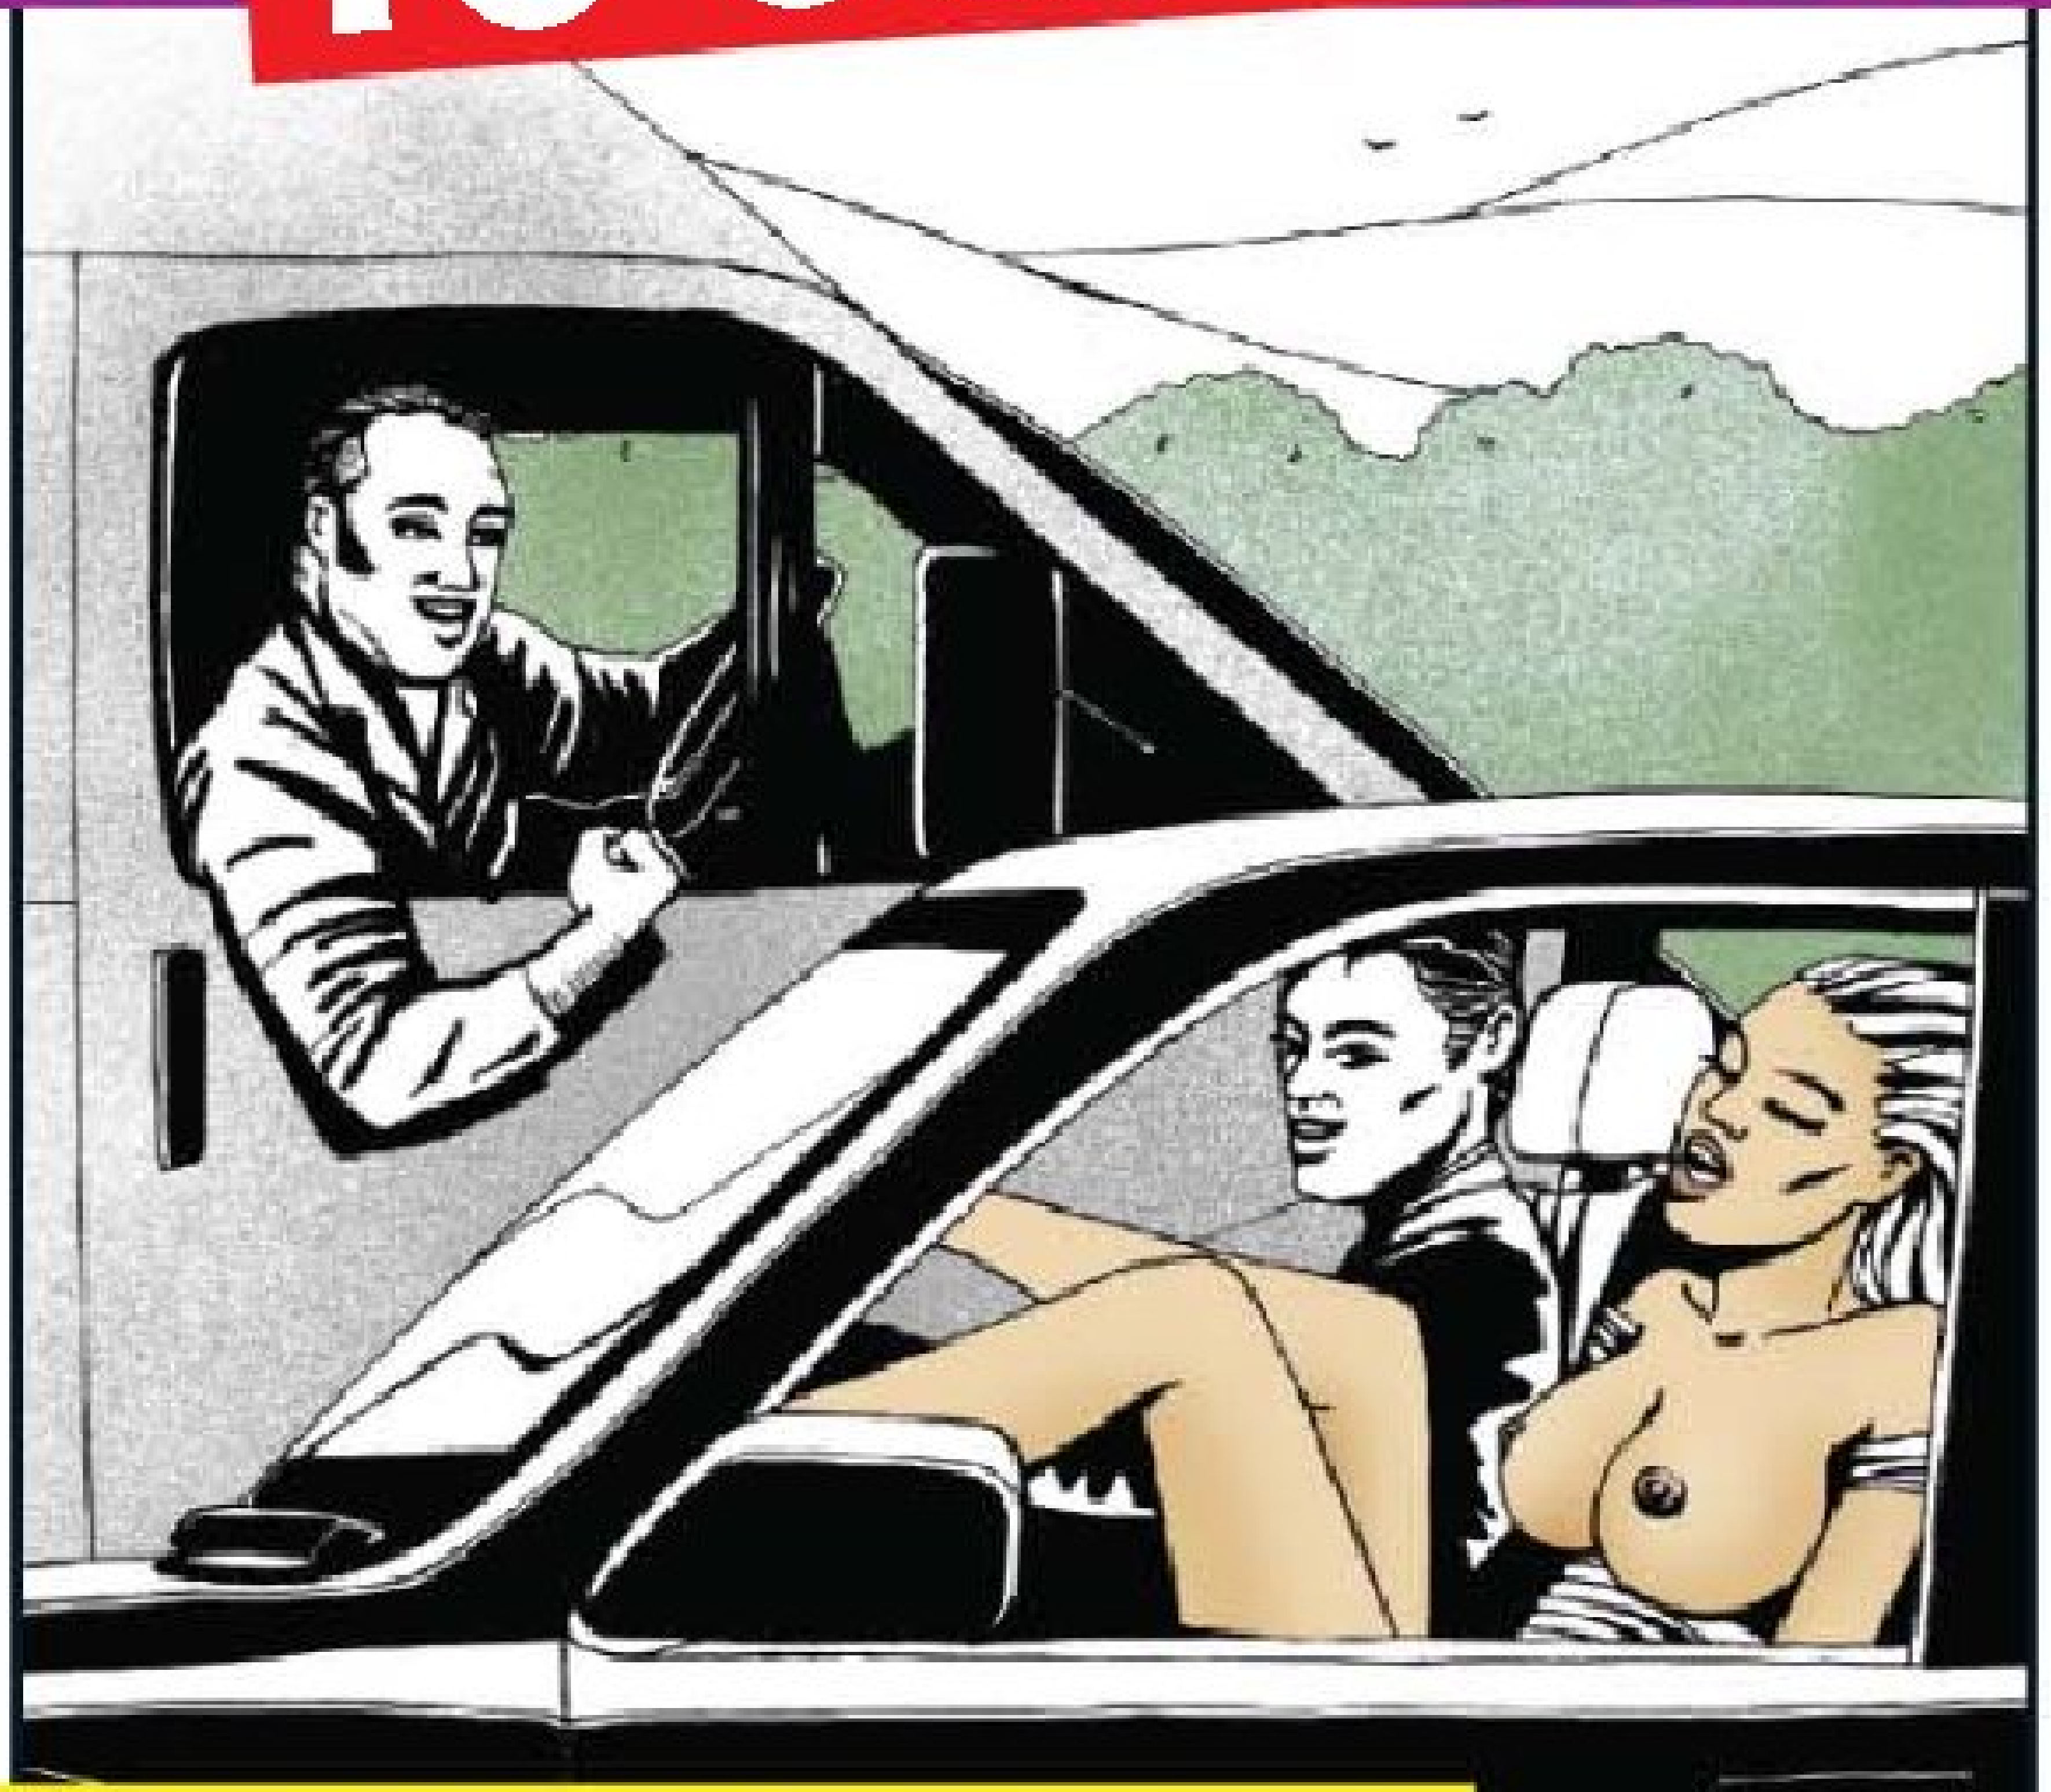
LADIES CONFESS! TO OUR SECRETARY!

100% REAL STORIES!

IT'S LOU!



CONFESSION OF THE WEEK!

'I was a naughty passenger'

I recently went to a wedding with my man, but for some reason we spent most of the day apart. On the drive home, I decided to make it up to him and started to rub the bulge in his trousers – a bulge that grew and grew! He then told me to take off my knickers and play with myself while he drove, before reaching over and joining in with his own fingers, too. I was massively aroused, so I opened my handbag and pulled out a mini-vibrator that I keep hidden away for such occasions. Soon I was screaming with pleasure as the cars and lorries whizzed past, then came hard and fast in the passenger seat, with my feet up on the dashboard. I'm surprised my fella didn't crash!

Jackie, Somerset

'We did it in the kitchen'

I live in a rented house, so every three months, someone from the letting agency comes round to check the place hasn't been trashed. On the day of the last visit, I'd just got out of the shower when the doorbell rang, so had to fling on a towel and quickly dash to the door. Before I got there, I bumped into this really cute guy from the agency on the stairs – he'd used the office key to get in. Neither of us knew what to do, so I told him I'd quickly get dressed and help him out. He gave me a cheeky wink and told me not to bother. I could tell what was on his mind so thought, "What the hell!" and went for it. His manhood grew really fast as I unzipped his trousers and before I knew it, I was being bent over the kitchen sink, getting a thorough seeing-to. It was the best flat inspection I've ever had – that's for definite!

Liz, Manchester

'I teased him as he cooked'

My boyfriend invited me over to his parents' house because he was cooking for his mum's birthday. While his mum and his brother were watching TV, I wandered into the kitchen and started rubbing his groin. He stopped and gave me a chuckle and while he continued stirring, I quietly got down on my knees, unleashed his manhood and pleasured him. As I started getting faster, he gripped the kitchen worktop in excitement and I was unbelievably wet as he gave out a low moan and exploded in my mouth. Seconds later, I got up and zipped him up just as his mum walked into the kitchen! We both went red and he mumbled something about a delay with dinner. I dread to think what she'd have thought of me if she'd walked in a minute earlier. I doubt I'd have been invited over for dinner again!

Anon, by email

'Just the tonic I needed'

I managed to get a stinking cold over Christmas and barely got out of my bed, let alone go out clubbing. So when all my friends suggested going to a cool bar in town to celebrate the New Year, I immediately jumped at the chance. It was more than worth it, too, as a really hot guy caught my eye almost as soon as I entered and made his way over to start dirty dancing with me. I was turned on straightaway and could feel my thong getting wet as his erection pressed against me, so I took hold of his hand and led him into the ladies' toilets. Ignoring the jealous stares from the other girls, I pushed him into a cubicle, tugged down his pants and took him in my mouth. It didn't take long for him to orgasm but sadly some party-pooper must have told on us, as a huge bouncer stormed in moments later and threw us out. We then went back to mine to carry on the fun and he made sure that my New Year really started with a bang!

MOVIES!

The original '60s TV show made a star of Bruce Lee

THE GREEN HORNET CERT 12A

Seth "*Pineapple Express*" Rogen plays a newspaper tycoon-turned-bumbling vigilante in a cool superhero caper featuring an awesome 1966 Chrysler Imperial with hood-mounted Gatling guns! It's written by Evan "*Superbad*" Goldberg, so you can expect gags galore. And it's in 3D! With Cameron Diaz providing the eye candy and bonkers Christoph Waltz (the mad Nazi from *Inglourious Basterds*) on bad-guy duty, we're excited! ★★★★

Megan Fox's personal trainer helped Rogen lose weight for the role

DVDS/BLU-RAY!

The film marks Casey Affleck's directorial debut

I'M STILL HERE CERT 15 DVD & BLU-RAY

Joaquin Phoenix, you tinker! When the actor "lost it" by announcing he was going to become a rapper, Casey Affleck began documenting his apparent descent into madness, featuring such things as a decidedly vacant appearance on *Letterman*, fighting with fans, and – that tell-tale sign – sporting a ridiculous beard, the results of which are all here. Turns out it was all a big hoax but it's still a great mockumentary. ★★★★

JONAH HEX
CERT 15 DVD & BLU-RAY

This revenge story about a bounty hunter who can converse with the dead was hardly the best film of 2010, but it stars Megan Fox, so who's complaining? ★★★
